Cookie Policy

Our website, like many others, stores and retrieves information on your browser using cookies. We use this information in order to improve and customize your experience and for analytics and metrics about our visitors. By clicking on respective opt-in box, you are agreeing to our use of cookies in accordance with this Cookie Policy. Please read this Cookie Policy carefully for details about why we use cookies and the information they collect from and about you.

What are cookies?

Cookies are little text files which are stored on the browser or hard drive of your computer or mobile device when you visit a webpage or application. Cookies work to make your experience browsing our site as smooth as possible and they remember your preferences so you don't have to insert your details again and again.

There are different types of cookies. Some cookies come directly from our browser plugin or application and others come from third parties which place cookies on our site.

Cookies can be stored for varying lengths of time on your browser or device. Session cookies are deleted from your computer or device when you close your web-browser. Persistent cookies will remain stored on your computer or device until deleted or until they reach their expiry date.

List of Cookies

Below is a list of the cookies we use.

Strictly Necessary Cookies

These cookies are necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site may not work then.

Performance Cookies

These cookies allow us to count visits and traffic sources, so we can measure and improve the performance of our site. They help us know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies, we will not know when you have visited our site.

Functional Cookies

These cookies allow the provision of enhance functionality and personalization, such as videos and live chats. They may be set by us or by third party providers whose services we have added to our pages. If you do not allow these cookies, then some or all of these functionalities may not function properly.

Targeting Cookies

These cookies are set through our site by our advertising partners. They may be used by those companies to build a profile of your interests and show you relevant ads on other sites. They

work by uniquely identifying your browser and device. If you do not allow these cookies, you will not experience our targeted advertising across different websites.

Blocking or deleting cookies

You may refuse to accept cookies or delete cookies already stored on your computer through the settings of your web browser:

https://support.google.com/chrome/answer/95647?hl=en
https://support.mozilla.org/en-US/kb/cookies-information-websites-store-on-your-computer
https://support.microsoft.com/en-us/help/17442/windows-internet-explorer-delete-manage-cookies#ie=ie-11
https://www.opera.com/sk/privacy/cookies

Blocking and deleting cookies may have a negative impact upon the usability of our browser plugin or application and you might be prevented from using all the features available on our browser plugin or application.
